

WEDNESDAY WEEKLY – WEEK 9

Dear Parents,

Happy Wednesday! Our school has been buzzing with many events. Today student talent was showcased to our special KHDA visitors in our first TEDx AMPS. Please check our Instagram for the videos and pictures. Your students made us proud!

Upcoming Events:

Thursday, Oct. 24 – *Parents' Workshop* – Using E-platforms to enhance your child's learning

Friday, Oct. 25 – *Senior Day* – Senior Jacket distribution

Monday, Oct. 28 thru Wednesday, Oct. 30 – *Fall Break* – No School

Important Information:

- **Wellbeing Survey** - Our school is currently working to achieve a school improvement award. In order to evaluate our current provision, we need your input. Your views are important in helping us understand what we are doing well and how we can do even better. This should only take a couple of minutes. All responses and suggestions will be carefully considered and used to plan a range of school improvements. The closing date is 27/10/2024. Your submission will not be accepted outside of these dates. Click here to start the [Wellbeing Survey](#).
- **Parking Lot** - To ensure the safety of our students, we kindly request your cooperation with the security team during morning drop-offs and afternoon pick-ups. Please do not park or stop in front of the gates. Instead, use the designated RTA parking areas and walk to the gate to drop or collect your child. Your support in following these guidelines helps keep our school safe and traffic flowing smoothly.

Have a wonderful day! ~ The AMPS Leadership Team
