AMPS MUN:

The Model United Nations (MUN) event, held from February 14th to 16th, was a remarkable success thanks to the incredible efforts of both students and teachers. This globally recognized event, which requires months of meticulous planning, allowed our students to showcase their leadership, diplomacy, and public speaking skills on an international stage. All the hard work made this event an unforgettable experience for all involved. Please check out our [almaaref.ae](#) on Instagram to see many videos of this wonderful event.

Have a wonderful day! ~ The AMPS Leadership Team
