Important Information:

We are incredibly proud to celebrate the outstanding achievement of our amazing students under the guidance of our dedicated ICT teachers. Their hard work, innovation, and commitment have led Al Maaref Private School to a remarkable victory—being the only school to win in all categories of the STEAM Champions Nationals. This exceptional accomplishment has also earned them a nomination for the upcoming international competition. We extend our heartfelt congratulations to our students and teachers for this well-deserved recognition, and we thank the EduStream team for their kind words and support.
