The Dot, a book authored and illustrated by Peter H. Reynolds, has inspired students worldwide, including those at Al Maaref American School, to celebrate creativity through the creation of unique dot artwork.

This celebration, themed "Make Your Mark and See Where It Takes You," will take place on Friday, September 12, 2025.

Participants are encouraged to wear attire featuring dots.

For those without such clothing, they are urged to get creative by decorating an old shirt with markers, paint, or stickers, or embellishing accessories like bows, neckties, and socks.
