# Uniform Care Guide

The following guidelines will help you gain longevity from your garment.

## WASH CARE SYMBOLS

LONG DRESS  
TROUSERS/  
PINAFORE/  
ABAYA

Wash at 40°C.

Higher temperatures will cause shrinkage, affect the colour or weaken the fibres.

Wash dark colours separately.

Avoid strong fabric conditioners as they can break the fibres.

Do not bleach.

Do not tumble dry pleated garments as the pleats will disappear.

For best results simply drip dry after washing.

Warm iron if needed (150°C maximum).

If you want to improve the creases, use a steam iron or a clean damp cloth, with a regular iron.

Do not iron on top of Print or Embroidery directly, please iron on reverse side.

Never use a hot iron directly on the garment.

## WASH CARE SYMBOLS

SPORTS JACKETS  
TRACK PANTS/  
PE POLO TSHIRTS

Wash at 40°C.

Higher temperatures will cause shrinkage, affect the colour or weaken the fibres.

Wash dark colours separately.

Remove promptly.

Avoid strong fabric conditioners.

Do not bleach.

These products will dry very quickly, if left to dry naturally, but if you want to do tumble dry, please do it in cool / lowsetting & remove promptly.

Drip dry after washing.

Ironing is not necessary for these products. However if you still want to iron, use a cool iron setting (110°C maximum).

Do not iron directly on the garment, place a clean damp cloth between the garment and the iron.

Do not iron with excessive heat as this makes the fabric brittle. Do not iron on top of print or Embroidery directly, please iron on reverse side.

## WASH CARE SYMBOLS

SHIRTS - BLOUSES

Can be machine washed on a

Gentle / polyester / easy care / delicate setting, with upto 40°C.

Avoid strong fabric conditioners. Wash dark colours separately.

Do not bleach.

These garments can be tumble dried on a cool/lowsetting.

If the temperature is higher the fibres can be damaged and shrinkage may occur.

With these garments ironing is not always necessary, if it is hanged during drying after washing.

However if you still want to do ironing, change the setting to synthetic/cool iron (110°C maximum) and do iron.

Ironing will be easier if the garment is slightly damp.

Do not iron on top of print or Embroidery directly, please iron on reverse side.

## WASH CARE SYMBOLS

Knitted fabrics 100% acrylic; combinations of : wool/nylon, wool/acrylic, wool/polyester (jumpers, cardigans, scarves & hats); cotton/acrylic; cotton/polyester; cotton/nylon

Turn the garment inside out before washing, to reduce the loose fibres adhering to the outer surface of other garments.

Use Cool 30°C washing with gentle / delicate / wool setting, with a short spin.

Always wash the garment separately, or with similar colour garments. Use only mild detergent if required.

Some fabric conditioners may harm the garment fibres thereby increasing pilling

Do not bleach.

Do not tumble dry, the fabric can be damaged and the neck, welt and cuffs can lose their elasticity.

Always dry FLAT and Dry in the shade (direct sunlight will harm the garment).

NEVER iron on the face fabric of the garment, as it will change the appearance of the garment and cause shine.

Always iron the insideof the garment.
