

DEAR PARENTS

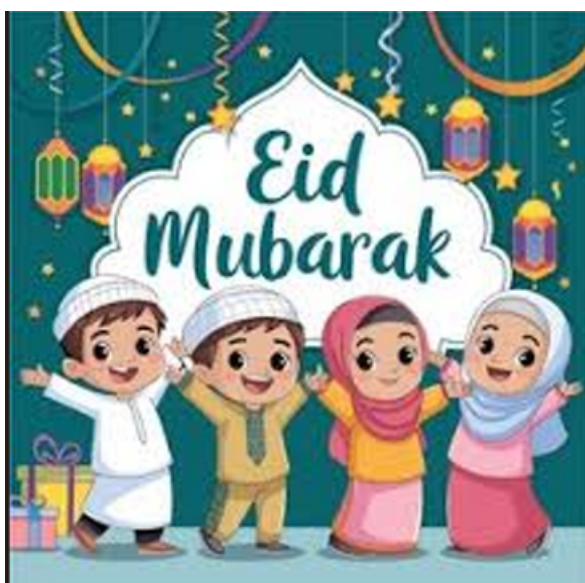

Kindly be informed that due to the rising temperatures during the summer months, the school will implement revised and shorter school hours starting from 1st June until the end of the Academic Year on 3 July 2026 for all students.

The revised school timings will be as follows:

- Monday to Thursday: 7:30 AM – 11:10 AM
- Friday: 7:30 AM – 11:00 AM

This adjustment has been made to support students' well-being and to ensure a safe, healthy, and comfortable environment during the examination period and the final weeks of the academic year.

SAFEGUARDING TIPS:

Be careful who cares for your child. Choose experienced, responsible caregivers who like children. Discuss your child's needs, habits, and schedule. Communicate your rules and preferred methods of discipline. Make sure the caretaker knows what to do in an emergency and check in frequently to monitor your child's wellbeing.
