MAS GLOBAL DAY
11 FEBRUARY, 2026

This special day celebrates the rich diversity within our school community and promises a vibrant and memorable experience for all.

Important Information:

- **Gates open:** 8:30 AM - 2:00 PM for all parents
 - **Student transportation:** There will be no school transportation on this day.
 - **Activities and shows:** Join us to watch and participate in a variety of exciting performances, including:
 - Performances by artistic groups
 - Student performances
 - Special tents for parents and students to distribute and sell popular dishes from different countries
 - **Recreational games:** Students from Kindergarten to Grade 3 can enjoy games in the boys' playground, including motor train, bouncy castle, roller airplanes, and bumper cars. Students bring their own money; the school is not responsible for collecting it. The ticket price is AED 50.
 - **Tents location:** All tents will be set up in the Girls' playground
- We look forward to celebrating this wonderful day with our entire MAS community

**SAFEGUARDING TIPS**
Know Your Neighbors and Community Resources

Children need protection in all environments they navigate daily. As parents, you are their first line of defense, but building a network of trusted adults around your child creates a safety net. Familiar faces can help watch out for your child when you can't be there.
