

DEAR PARENTS

We are delighted to welcome our students back to school on **Monday, April 27.**

The school community has truly missed their energy, enthusiasm, and smiles, and we are very excited to see them return to campus. As we resume learning, we look forward to continuing our partnership with you in supporting your children's academic progress and overall wellbeing. Our teachers and school team are fully prepared to ensure a smooth, engaging, and successful return to school life. We appreciate your continued trust and support, and we are excited for a positive and productive new chapter ahead.

Welcome back – we are happy to have our students back in school!

REMINDER - RE-REGISTRATION FOR ACADEMIC YEAR 2026-2027

This is a kind reminder that the re-registration process for the academic year 2026-2027 is currently open. We kindly encourage all parents who have not yet completed the process to do so at their earliest convenience in order to secure their child's seat for the upcoming academic year.

Please ensure that the re-registration is completed before the **deadline of 8 May 2026.**

SAFEGUARDING TIPS:

Consistently reinforcing limits and rules, rather than using punitive measures, fosters better children behavior and reduces parents stress. Setting consistent rules requires clear communication and involve children in creating rules to build ownership.
